

A Guide to Touring the Wine Regions of Western Australia

gives you everything you need to plan the perfect wine touring holiday.

With 247 cellar doors, this guide offers concise information on every winery in Western Australia — it is a comprehensive resource for the wine connoisseur and the perfect place to start for those who are newer to the magic of wine appreciation. For the novice, it demystifies wine tasting by giving you all the information and background you need to relax and be confident of an unforgettable tour.

Visit the oldest winery in Australia, enjoy a meal with one of the world's best Chardonnays and discover new wine styles. These regions give you the opportunity to relish top-class cuisine, luxurious accommodation, superb weather, miles of empty beaches and pristine forest — and this guide tells you where to find them.

Visiting wineries is one of the best ways to understand wine and allows you to experience the romance of buying wine direct from the cellar door — take away intoxicating memories and relive the experience every time you pull the cork from one of your prized purchases.
